Booster Club 2020 – 2021

The Marcus High School Tennis Team would like to welcome you to the 2020 – 2021 Season!

We are eager to begin the 2020-2021 season and we are glad that each of YOU are part of it!

Marcus Tennis, for the 20th year, continues to have one of the very best coaches in the state - Kelly Langdon - and we are thrilled! MHS Tennis continues to be ranked in the Top 20 in the state producing high caliber teams that represent what hard work and commitment are all about. He has led the team to many Area, District, Regional, and State Championships and has been recognized countless times as Texas Coach of the Year and District Coach of the Year. We are also excited to have Mark Jester as the Assistant Coach.

Last year's team reached the regional semi-finals for the 2nd year in a row, the first time in the history of the LISD and finished ranked top 10 in the Texas in 6-A. Individually, all players were named to the All-District team, along with having the male MVP & male newcomer of the year. Coach Langdon was recognized as the USPTA Coach of the Year for Texas and also received the Texas Tennis Coaches Assoc. Jim Longbotham award for leadership. As you can see, it was a GREAT year up until March.

Coach Jester and Coach Langdon will coordinate the Middle School Tennis program, which reaches Briarhill, Downing, and Lamar students. This is a great asset to the high school program and prepares these young athletes for future competition. Coach Jester will provide the logistical support necessary for getting all teams to and from each event and practice.

Once again, we would like to thank all of our team families, friends, the LISD, and community partners for supporting Marcus Tennis. Without their encouragement and active support for our program we would not have the facilities and equipment that is needed to be successful. The school provides just enough funding to purchase tennis balls for the season, but the other \$40-45K needed to run our program comes from our fund-raising events and Booster Club memberships! This year is especially challenging, demanding us to be more flexible and dynamic. Your financial and athlete support is even more necessary to ensure a rewarding year.

We would like to encourage each of you to volunteer and support Marcus Tennis. Our goal is that each family will become an active member of the Booster Club, and become actively involved in the program whether it is at the middle school or high school level.

As always, please contact me anytime--

Sincerely,

Charlotte Rice
Booster Club President

Marcus Tennis Fundraising & Events

The Marcus Tennis Program and our kids benefit greatly from our efforts! Funds we raise help pay for things like uniforms, drinks, facility improvements, and tournament fees. Over the years, we have tried to simplify our fundraising activities with a focus on parent participation and community sponsors. In addition, with the Servathon event, we also encourage our team to give back to our community. Although more limited this year due to COVID, we have the opportunity for a couple of valuable and meaningful fundraising opportunities. We encourage you to participate and support!

EVENTS:

November: Servathon – Coach Langdon and his tennis team have done an amazing job of giving back to the community with this event where the tennis players find sponsors for a Day of Serving. A portion of the funds raised in this event go to supporting the tennis team and the other half supports a local charity called PediPlace (www.pediplace.org) – a health clinic in Lewisville providing care to children in need and LEF – Lewisville ISD Education Foundation.

Late November/early December: Serve squad- the students design and sell t-shirts to friends to raise money, visibility and support for the team.

Late February: Annual Booster Tennis Tournament – (February each year) Come out and play with your kids, friends, and favorite tennis rivals while we raise money for the team.

Late April: Tennis Banquet – A celebration of the year’s successes! (TBD)

March: Senior Day
